INTERESTING ITEMS FROM EL VERANO AND VICINITY

Weekly Record of all the Happenings in His Town as Faithfully Recorded by Our Wide-Awake Reporter, "Archie McKiver."

Supervisor Blair Hart was in town the latter part of last week.

Jack McGill was a visitor to Oakland last Sunday.

James Baines left the latter part of last week for Marshfield, Oregon.

John Serres, accompanied by Gus Bastian, visited Napa last Monday.

Charley Baines transacted business in San Francisco and Oakland Tuesday.

The orchardists and vineyardists of this valley are pruning and spraying.

Mr. and Mrs. Frank A. Riser are spending the week in Guindar, Yolo county.

Everett Grover of Sebastopol was visiting at the Block residence Saturday and Sunday.

Frank Burris came down from Santa Rosa on Saturday morning's Southern Pacific train.

Henry Bates of Sonoma passed through here Saturday morning en route to Santa Rosa.

Blossom Keechler, accompanied by his brother Joe, visited in Santa Rosa Tuesday between trains.

Joe Kearney went to San Francisco last Saturday morning where he is visiting friends and relatives.

L. L. Lewis of Oakland was here on business connected with his water system last Friday and Saturday.

Thomas Walsh, after spending several days in the exposition city sightseeing, returned home Monday evening.

Dr. Parramore of Boyes Hot Springs transacted business in Oakland and San Francisco the latter part of last week.

Jack Cant, who formerly ran a clubhouse at Agua Caliente, but now a liquor man of San Francisco, is spending the week at El Verano Villa.

Joe Dowdall left for Dillon's Beach last Friday. Mr. Dowdall is building himself a cottage at that famous resort, and intends later on to make his home at that place.

A large number from here attented the grand ball given by the Terpsichoreans last Saturday evening at Sonoma. All enjoyed themselves immensely, and voted the Terpschoreans a crowd of jolly good fellows.

A fine bar arrived at the Southern Pacific depot the latter part of last week to be installed in the fine new saloon near Boyes Springs. This will be the finest house in the county. It will reopen about the first of the season.

Tim Ohalloran, a well known chicken rancher above town, has gone into the fish business. Tim had a wagonload of fine herring here from Petaluma last Saturday, and although it was not fish day, Mr. Ohalloran sold out without blowing a horn or hollowing his head off.

Marshal Jim Albertson of Sonoma was in town last Tuesday. Jim's visit was very short here, and when interviewed by your correspondent of what he thought about our town, he said it looked better than Sonoma, anyway. Some day, Jim, we will need a Marshal here, and you'll be our first choice.

Miss Nettie Kirkland was a visitor to the metropolis Tuesday.

Wm. Block went to Wingo last Sunday on a snipe hunting expedition.

H. C. Moore of the Spreckels ranch visited in San Francisco last Sunday.

Henry Burris boarded the S. P. train at this place Monday morning for Hanford.

Mayor M. E. Cummings of Sonoma took the train here Saturday evening for Santa Rosa.

Mrs. Sarah Baines, accompanied by Louis Peterson, left for Phoenix, Arizona, last Thursday.

Attorney H. P. Mathewson of Sonoma boarded the train here for the metropolis Sunday morning.

Several of our sports attended the aviation meet at the Emeryville race track, San Francisco, last Saturday.

A fine street light has been put up in front of H. Baines & Co's garage in this place, which lights up the building with fine effect.

Sam B. Lewis, the Sonoma meat market man, was a passenger on the Southern Pacific en route to the county seat Tuesday morning.

John Wack, proprietor of the Hunter's Inn, Agua Caliente, autoed to this place last Friday. John is always a welcome visitor here.

The letter which appeared in last week's Index-Tribune written by a woman voter of Glen Ellen was read with much interest by our people. This woman writes a fine letter. Her argument is fair and abounds in good sense.

Chas. Taber, freight conductor on the Southern Pacific for several years, has resigned his run through this valley and taken the freight run between Oakland and San Jose. Charley has a host of friends along the line who will regret his leave-taking.

El Verano now boasts of having the champion liar. This fellow can tell a lie with such easy, fluency and oratorical ability that he himself really imagines he is telling the truth. If there be a medal for liars this fellow certainly deserves one as big as a soup plate.

A batchelor's ball is the latest on the tapis here. A number of our young unmarried men are figuring on giving one of these social functions in the near future. It will be a strictly invitational affair. Alexander's Rag Time Band of San Francisco is slated to furnish the music.

The fierce norther Sunday night blew down a number of chicken houses and did other damage here. The water tank of Danieli's windmill was blown down, and strange to say after falling thirty feet was not in the least damaged. John Basilou, the barber, who occupied a sleeping room in the tankhouse, says he had a close shave from being drowned or crushed to death.

Two prominent young men of this place while taking in the moving picture show in Sonoma, one day last week, left their bicycles standing on the outside. While in the show house a number of young miscreants punctured the tires of both wheels and the owners were compelled to hike it home. If the perpetrators are found out arrests will follow.

ARCHIBALD MCKIVER.

El Verano, Feb. 23, 1912.

Chas. Spindler's Weekly Letter on Local Option.

Mr. Editor:

In Mr. Bigelow's letter of January 26th, I find a paragraph referring to the two greatest resorts, who would gladly close their bars if, by so doing, they would do away with that great evil, the roadhouses, that line our roads in this beautiful valley.

Treating this subject whether Wet or Dry squarely and not being interested in the least in this fight, neither financially nor sentimentally, except to show my neighbors, ladies and gentlemen in Mr. Bigelow's district, what the result will be, basing my statement, yet to follow, upon close observation throughout the U. S., I cannot refrain from going into all details as squarely and openly as possible.

I do not know how much assurance and backing Mr. B. has for the statement, but however that may be, I judge he refers to two of those bathing resorts, having resources in the form of hot mineral water as high in temperature as 115 degrees Fahrenheit, very beneficial to rheumatism. I may be in error on the two resorts in Mr. B's. mind, but presuming that these are the two he refers to, they would lose comparatively little if they had to close up their bars, and open a drug store, stocked with alcoholic remedies. Changing the wording of their advertisement would not cost much, saying: "Bar is closed, but a good drug store, well stocked, is added."

Instead of paying license fee, they could engage a doctor and pay him for the ever ready and often-necessary services. I have been in watering places highly recommended by physicians, who do not know their real nature, only from a chemical analysis of the water, where such prepetual recipes for Manhattan Cocktails or Dry Martinis for appetitizers were made out wholesale, and carried in the vest pocket of the guests. But these watering places even could not exist with these remodeled bars, if they had no gambling, in connection with these apothecaries behind closed doors.

Now, if openly drinking is in Mr. B's imagination a sin, I say let a man sin a little, openly, and let him take a glass of beer or wine, or even an appetizer, but before talking of his religion and about his Christianity let him read St. Mathew, Chapter VI. Verses V., VI., and VII.

Should Mr. B's hope of the Dry question materialize, I predict that both these greatest resorts would soon have to close up, and Mr. B. would have a good chance to buy some property cheap, water included.

If the proprietors of both resorts look over the list of their customers, visitors or guests, they will find that the majority are not exactly sufferers from some illness requiring a bath to cure, but pleasure-seekers and vacation-time-killers. And, by the way, they are the more desirable ones, because with these it is not a bare necessity but a pleasure to bring a little spare money into Sonoma Valley. And of this desirable majority only ten per cent would make use of those fake recipes, or perhaps once, and never come again. He who wants a gold cure goes to a Keeley Institute, but not to the Senoma Valley Hot Springs.

And another drawback with these closed drug store additions is that the arm of the law can hardly get through the locked doors, and by the time the authorities get in, the gambling paraphernalia is removed and the gamblers are sitting around a green table reading Kent's Philisophy and even a prayer book.

But the above drug store and stock room would only pay in such places where high priced drinks, viz., distilled goods, are sold. No keeper of a small pleasure or health resort could afford the additional expenses of a prescribing doctor on the profit of selling beer and wine, the less harmful and less intoxicating.

But it seems to be the object of Mr. B. to drive out the small ones only, and kill their business, because I cannot imagine, that he does not know about circumventing of the law as I have described above.

For my part, saloons could all be closed, and the difference in my annual expenditure would not change noticeably. But whenever I am out for a little drive with that old cranky mare and am passing the Lark, she wants a drink from the watering trough, and while I have to get off, taking off that check line and giving her a minute's rest, I go in and have a beer. That old mare would suffer more than I, because with the closing of the Lark no doubt would also disappear that watering trough. I can picture her now—how she would look around, wondering—who is who, and why, around here now. Wouldn't it jar her.

I never had reason for, or occasion to count all these lawbreaking brothels as Mr. Hardman call these in Mr. B's district, and therefore have no idea, how many families would be driven out of the valley, how much money would be lost by merchandise, shoe and clothing stores, bakers, butchers, painters, builders, chicken raisers, electric light company, newspapers, wineries, and so on. But we would have a much quieter valley. Even railroads would cut out half their trains, because they would not run trains for Mr. Bigelow's eggs only. And the so-frequent road walkers of the several hotels, resorts and spriags, would disappear from the county road and would not be in the way of any more automobiles, hindering or obstructing their speed. And the big organs in the greatest resort would stop, because there would be nobody to drop a nickel in the slot, and this would increase the egg production considerably. If hens were not kept busy listening to the music, they could attend to business laying eggs.

Going over the road, in his automobile, those law-breaking brothels must appear to Mr. B. like fence posts, so close together. But the poor man, walking from Sonoma to Auga Caliente to take a bath, is glad to meet a place where he can quench his thirst with a glass or schooner full of foaming, cool and sharp Sonoma steam beer.

Automobile riding does not create thirst—but a chill, and the desire to take a good, stiff stimulant, to drive that chill out after the ride. From personal experience, I say, the only time I take a hot Scotch is after one of those neck-breaking joy-rides with friends in their automobiles.

Coming to the question whether drunkenness can be stopped by closing saloons, I say the answer is NO! Contrary, that evil is increased by closing saloons and making drug stores the dispensing places of alcoholic concoctions and drinks. For every saloon closed by law, a boot legging place, blind pig, blind tiger, or speak-easy mushrooms up against the law. And within the law, where one can now have a drink for five or ten cents openly, (in a saloon), he is then compelled to get an originial package, a quart of whiskey in a drug store, or finding one of the above mentioned places, thus creating drunkenness wholesale.

The only people financially benefitted by closing the saloons are drug stores, Wells Fargo Express Company, rubber manufacturers, and most of all whiskey distilleries.

I will take this up in the next installment.

POLLONI WILL APPEAL CASE.

Attorneys For Plaintiff Ask Supreme Court to Grant Him a New Trial.

The Polloni-Ryland damage suit instituted in this county last year and which a jury decided in favor of defendent will be taken up to the State Supreme Court. With that end in view attorney Phil Ware of Santa Rosa has filed notice of appeal. The suit was the outcome of the electrocution of Mrs. Polloni about 18 months ago by coming in contact with a live wire of the Sonoma Valley Co., of which Mr. Ryland was the president and principal owner at the time of the accident.

Reunion of a Pioneer Family

Mr. and Mrs. P. J. Flint and Thos. S. Cooper of North Yakima, Washington, and Mrs. Emma McDonald of Modesto, Stanislaus county, have been visiting their Sonoma relatives, Miss Jeanette Cooper and Granville S. Harris, the past week and expect to leave for their respective homes next Monday. The Cooper-Flint-Harris families were pioneer residents of this valley, having located here in the early forties. Thos. S. Cooper, who is a half-brother of G. S. Harris, was born in the old Blue Wing on Spain street, one of the historical buildings of this city. During their two weeks sojourn in the valley of their birth Messrs. Cooper and Flint and their sister Mrs. McDonald have had a most pleasurable visit with the Harris and Cooper familes.

A Relic of Early Days in Sonoma

Peter Yenni has donated to Sonoma Parlor of Native Sons a large show case, which will be set up in the Old Mission San Francisco de Solano in this city for the purpose of displaying relics of the pioneer days of California. This show case was made by the late Ed. Wegner when he first located here sixty years ago, and came into Mr. Yenni's possession by purchase fifteen or sixteen years ago.

PERSONAL AND SOCIAL NOTES AND HAPPENINGS IN TOWN.

Doings of the Various Sets in this City and Its Immediate Vicinity---The Goings and Comings and Other Items of General Interest.

Mrs. Emma Fetters transacted business in Santa Rosa last Tuesday.

Mr. and Mrs. Jack Brown were here from Vallejo last Sunday visiting relatives.

Mr. and Mrs. Robt. P. Hill were Eldridge visitors to Santa Rosa last Monday.

A grand entertainment, followed with a dance, is to be given by the St. Barbara's Guild, Friday, April 12, at Union Hall.

Among the venirnmen drawn in Judge Denny's Court Monday to try the Daly will contest case were Tony Leveroni, Chas. Ramelli and Patrick McAuliffe of this valley.

Wm. Kent, elected to Congress from this district on the Republican ticket two years ago, is out in a published statement that he is out of politics and will not be a candidate for re-election.

The Glen Ellen Social Club will give its first grand ball at Chauvet Hall on Saturday evening, March 2nd, on which occasion Chas. Johnson's orchestra of San Francisco will furnish the music. The floor will be under the management of Messrs. W. C. Keating and Bert Perry.

The Home and School Association will meet in the High School Saturday, February 24th, at 2:30 p. m. School Trustees, mothers, guardians and teachers of the valley are asked to attend. The enrollment at High School is the largest it has even been and means must be devised to keep the pupils until graduation. Mothers of eighth grade pupils and of High School freshmen are especially asked to come.

The attention of our readers is called to the advertisement of 'Summer Boarders,' which appears elsewhere in these columns. The Northwestern Pacific railroad company will issue "Vacation, 1912," next month and those who desire to accommodate boarders in this valley the coming spring and summer would do well to read the ad and then communicate with J. J. Geary, General passenger and freight agent of the Northwestern Pacific Co., at his San Francisco office.

The Women's Club Goes on Record

The following preamble and resolution was presented, read and adopted by the Sonoma Valley Woman's Club at the regular meeting Friday, February 16, 1912. The vote was unanimous, thirty-two of the 110 members being present.

Whereas—There is to be an election in the First Supervisoral District outside of the incorporated town of Sonoma; said election is to settle the question whether the sale of alcoholic liquors is to be licensed or not, and

Whereas—The Sonoma Valley Women's Club has always stood in the front rank for civic and moral improvements, now be it

Resolved—That we give this campaign our moral and hearty support, also that our Secretary be instructed to send a copy of this resolution to the press, and to the leaders in this movement and to spread a copy on the records of the club.

Now Scheming to Make Sonoma a Dry Town.

A petition is being circulated here by the Men's League to submit to the voters of this city a high license proposition. The Trustees will be asked to place saloon licenses at $600 per year and failing to do so the question will then have to be submitted to the people at the municipal election next April. A $600 license in this city it is said will put every hotel and bar out of commission and put Sonoma in the list of dry towns in this State. The proposition is unfair and will undoubtedly be defeated if submitted to people.

Glen Ellen Native Sons

Glen Ellen Parlor, No. 102, N. S. G. W., celebrated its twenty-fifth anniversary last Monday night with a class initiation and banquet. Among the charter members of the Parlor present were Chas. J. Poppe, Chas. C. Weise, Robt. P. Hill and Harry Weise, all of whom have passed through the chair. The present President of the Parlor is Julius Pancrazi.

Securing Signatures Through Misrepresentation.

Advices reach this office from Penngrove that E. O. Gates, who is circulating the petition for an Local Option election over that way is obtaining signitures to the same through misrepresentation. Our informant, who knows what he is talking about, says:

"Mr. Gates of El Verano, who is canvassing the district in the interest of Local Option, is securing many signers through the statement that as soon as the district is dry, the others being swept away, the respectable saloon keeper will again be granted his license, etc., and the people are accepting his statements without question, many saying that they are willing to vote dry as long as it does not mean exclusion for the decent element of saloon keepers. These statements, which we know to be utterly false, makes me indignant and I thought the Index-Tribune would be interested in making this misrepresentation known to voters."

This goes to prove what has already been asserted in these columns that the Local Optionists are resorting to unfair methods to secure the required number of signatures to bring about an election that will put out of commission every hotel barroom and saloon in Sonoma, Glen Ellen and Vallejo Townships for two years at least. All will have to go, including the hotel table wine service, if the scheme succeeds.

Local Option Does Bar Wine From Our Hotel Tables.

As the organ of the Prohibitionists, in their efforts to ruin Sonoma Valley as a health and pleasure resort, has had the temerity to dispute the assertion made editorially in these columns in a previous issue that Local Option will prevent the hotel and resort keepers of Sonoma, Glen Ellen and Vallejo townships from serving even the sparkling wines of Sonoma Valley on their tables, we herewith quote the law bearing on that particular part of the subject. Section 13 of the Willey Local Option law reads:

Section 13. It shall be unlawful for any person, corporation firm, company, association or club, as principal, agent, employee or otherwise, within the boundaries of any no-license territory to sell or give away any alcoholic liquors except as provided in section 16 hereof.

Section 16. The serving of such liquors by any person at his own home to members of his family or to his guests, as an act of hospitality, when no money or anything of value is received in return therefor, and when said home is not a place of public resort.

Such, men and women voters, is the law. Further comment is unnecessary.

The Boy or the Bar.

Whenever a saloon election is held Prohibitionists make this their slogan: "Vote for the boy and against the bar."

Now, these a rethe facts. They are plain, every-day common-sense facts, known to everybody who sees what is going on and who thinks a moment. All the talking that can be done, in and out of print, by paid orators and volunteers, cannot change them. The cry of "The boy or the bar," sounds attractive and startling, but is not sustained by facts. The law already separates the boy and the bar, but it could not seperate the boy and the Blind Tiger.—San Jose Review, December 2nd, 1911.

VINEBURG NEWS ITEMS

"Easy Jim" Tells in an Interesting Way all About the Week's Happenings in and About His Section of the Valley.

Vineburg received many visitors on Sunday, it being a fine day.

Harry Andrieux, Marshal of Wingo, was visiting Sonoma and Vineburg friends on Sunday.

Mrs. Joseph Amedeao is a guest of her sister-in-law, Mrs. Harry Hunter, at The Knoll for a few days this week.

From the looks of things I think that Vineburg will be well represented at the Cloverdale Fair on Sonoma Day, February 22nd.

Mr. Shaw, who has a large young orchard on the Hyde tract, was looking over his ranch at that place on Saturday and Sunday, last.

Quite a large number of eggs are being shipped from this point at the present time. John Batto & Sons are handling the bulk of them.

Some people around here think we need rain, while other people say we do need it now. Which is right? Well, the rain will decide that question.

Miss Madden, please let alone me about those electric lights as all I can learn is the juice will be turned on about the time Brother Micheal hands down the rope.

His honor, the Mayor, says he was waiting for Jim Small, and Jim Small says he was waiting for the Mayor. In the meantime another guy came along and won the prize box.

Michael Cummings, Mayor of Sonoma City, and Peter Keil, a prominent citizen of the same place, paid their respects to their Vineburg friends one day last week and received a hearty welcome.

Cedric Cutter, our well-known young orchardist, is now busily engaged in spraying fruit trees in this vicinity, and believe me us people around here think Teddy knows his business.

Carl Weishaar, the genial and well-known proprietor of the One Mile House, paid a visit to this burg Wednesday evening. He was accompanied by his friend, Charles Lurhs. Call again gentleman. You are always welcome.

Albert Groskopf of this place has just received a new motorcycle. It is a fine machine, being a Flanders 4-horse power model 1912. The purchase was made through the agency of John Batto & Sons, and the first in this valley.

The new building be erected by E. Forni is getting along fine and when completed it is the intention of Mr. Forni to have a grand opening. The gentleman is one of our most enterprising citizens and a man of his word. We are all waiting to have a swell time.

Walter Bundschu returned home on Monday after a several day's visit in the metropolis.

We are sorry to state that W. R. Hansen of the firm of Hansen & Kizer is confined to his bed with a severe cold. His many friends hope he will soon recover and be at his old stand as postmaster again. In the meantime the business will be conducted by Mr. Ki er.

Chas. Gundlach, the Eastern representive of the Gundlach-Bundschue Wine Company of this place, died in New York City on Monday last, February 19th. The deceased gentleman was well known and highly respected by all of the older resident of Sonoma Valley who knew him well.

Enrico Forni of Pleasant Villa, being an accomplished musician, was in great demand last week, having been called upon to furnish music for two swell parties, one at Chas. Potter's, on Friday evening, and one at Carneros Creek, on Saturday evening. Mr. Forni pronounced both events a great success.

On Saturday afternoon February 17th an enjoyable little surprise party took place at the pretty home of Mr. and Mrs. Adam Gigerich on the Hyde tract, it being the 20th anniversary of their wedding. A number of their friends paid their respects and among those present were Mr. and Mrs. Fred Dobble, Mr. and Mrs. Harry Hunter and Miss Dorthy Dobbel. All report a pleasant time.

My talented young friend, Archibald McKiver, Index-Tribune correspondent at El Verano, wishes to have some fair assistants to help him to report the news items of his fast growing town. Well now, Archie, I cannot help you to secure them from Vineburg for they have formed a trust among themselves and say that you have just as bright, beautiful and talented young ladies in El Verano as there is in Vineburg, and our girls will not butt in. To tell you the truth, Archie, I cannot shake them.

CHAS. GUNDLACH DIES IN NEW YORK

Was the Eastern Representative of the Gundlach-Bundschu Wine Co. of Rhinefarm of This Valley

Chas. Gundlach, the eastern representative of the Gundlach-Bundschu Wine Co., with offices in New York, died in that city last Monday. The news of his death was a great shock to the older families of the valley who knew him well as a genial and companionable young man.

Chas. Gundlach was the son of the late Mr. and Mrs. Jacob Gundlach. He was born in San Francisco fifty-two years age, and when a child came to this valley with his parents, the founders of Rhinefarm. Here he spent his childhood and young manhood days beloved by all who came in contact with him.

In the early eighties, when about 25 years of age, he removed to New York as manager of the Gundlach-Bundschu Wine Co. in that city, where he continued to make his home up to the day of his passing away.

Chas. Gundlach leaves are large number of relatives in this valley to mourn his taking off in far away New York town. Henry Gundlach of Rhinefarm is any only brother and Mrs. Carl Dresel of this place, Mrs. Chas. Bundschu and Mrs. Benj. Weed of San Francisco are sisters of deceased.

One Hundred Dollars Donated to Street Fund

A few weeks after the big fire in this place last September Mr. A. E. Tower, who was touring the Old World, read an account of the disaster in the Paris edition of the New York Herald, and immediately forwarded a check for a hundred dollars to Mayor M. E. Cummings toward relieving any immediate distress in the community caused by the conflagration. As those whose property was destroyed were for the most part well-to-do they needed no financial assistance and upon Mr. Tower's recent return to his El Cerrito home here, Mayor Cummings returned the check to him with an expression of kindness for his generosity. Mr. Tower immediately upon its receipt returned the check to Mayor Cummings with the request that it be turned into the street fund of this city, remarking that the streets needed the money more than he did. This generous act on the part of Mr. Tower, we assure him on the behalf of the people of Sonoma, is greatly appreciated by them.

Postponed

The game between Oakland Y. M. C. A. and Independents advertised in last week's paper has been postponed. The local team, however, is making arrangements for games to be played March 2nd, 9th and 15th.

Ordinance No. 121.

An Ordinance establishing for the purpose of regulation only a license tax upon the business of wholesale and retail liquor dealers; defining the classes of liquor dealers, and other persons disposing of liquors; the manner of procuring said licenses; the regulation governing the conducting of said businesses; the collection of said license tax; limiting the number of retail liquor dealers; also, miscellaneous provisions in connection with said license tax.

The Board of Trustees of the City of Sonoma does hereby ordain as follows:

Section 1. Each and every person, firm, co-partnership, association or corporation transacting any business in the City of Sonoma which this Ordinance requires to be licensed, shall pay in advance and immediately before the commencement of any such business and for the purpose of regulation only, a city license for pursuing said business as hereinafter provided.

Section 2. Every person, firm, association or corporation who shall at any fixed place of business sell, dispose of or give away any spirituous, malt or fermented liquors or wines, where the same or any part thereof is sold, disposed of or given away to be drunk at said place of business, or at any room or place connected with, or carried on, or maintained in connection with said place of business, shall be known as a retail liquor dealer, and shall pay quarterly in advance a license tax of thirty ($30.00) dollars for each place of business carried on or maintained by him, her or them for so selling, disposing of or giving away any such liquors or wines; except as such license may be increased as provided in Section 9 of this Ordinance.

Section 3. All other persons, firms, associations or corporations who shall at a fixed place of business, sell, dispose of, or give away any spirituous, malt or fermented liquors or wines shall be known as wholesale liquor dealers and shall pay quarterly in advance a license tax of four and one-half ($4.50) dollars for each place of business carried on or maintained by him, her or them for so selling, disposing of or giving away any such liquors or wines; and the sale of spirituous, malt or fermented liquors or wines by persons, firms, associations, or corporations holding a wholesale liquor dealer's license, must not be in less quantity than one pint at any one sale.

Section 4. Every person, firm, association or corporation before being granted a license to conduct the business of either a retail liquor dealer or wholesale liquor dealer, as hereinbefore provided in the City of Sonoma, shall file with the Board of Trustees of said City of Sonoma, his, her or their petition in writing for the granting of a liquor license, which petition must state the names of all the persons interested in the proposed business for which the particular license prayed for is desired; and also state the location of the premises, the room, rooms or place in such premises where the person or persons desire to carry on the business for which the license is prayed for; and shall present with such petition a written certificate signed by at least five respectable citizens, residents of said city, and who also do business as owner or proprietor of such, at an established business place, or are owners of improved property, residing therein in the immediate vicinity and not farther away than 200 feet from the place for which a license is petitioned; and such petition shall not be signed by more than one person of any firm consisting of more than one person, or more than one joint owner or tenant in common of any city lot, setting forth that such place petitioned for is a suitable and proper locality for conducting such business, and that the petitioner is personally known to the person signing the certificate to be a sober and suitable person to keep and conduct such place of business, and that no person will suffer an injury or damage thereby.

Provided, however, that if five citizens do not reside or do business within a radius of 200 feet from such proposed place of business, then such certificate may be signed by a like number of owners and residents of property or doing business as owners or proprietors thereof in the immediate vicinity of the proposed place of business, setting forth that the applicant is a person of good moral character and a sober and suitable person to keep and conduct such a place, and that no person will suffer injury or damage thereby; and said Board of Trustees shall at a regular meeting of said Board vote upon the granting to said petitioner or petitioners of the liquor license prayed for, and upon a majority vote of those members of the Board present and voting being recorded in favor of the granting of said license, the same shall be ordered issued. If a retail or wholesale liquor dealer now doing business in the City of Sonoma, shall desire to change the location of his place of business he shall take the same steps as to procuring the certificate herein required as provided in the application for a license, as in this section provided.

Section 5. All permits for licenses granted by the Board of Trustees, as in the preceding section specified, unless sooner revoked as hereinafter provided, or lapsing by reason of the death, removal from the premises or from the city, or going out of business of the party or parties to whom the same was issued, shall continue in force until revoked or lapsed as hereinbefore provided.

Section 6. No license granted or issued under the provisions of this Ordinance shall in any manner be assignable or transferrable, nor authorize any person, firm, corporation or association, other than the one therein named, to do a business thereunder; nor shall any money paid for such license, or any portion thereof, after the same is issued, be returned or rebated for any cause whatever.

Section 7. All places where wines, intoxicating liquors, or admixtures thereof, are sold, given away disposed of or delivered, must be closed up and business therein cease, and no person shall be permitted to remain in said place of business, from eleven (11) o'clock p. m., until five (5) o'clock a. m., of the following day, and no business shall be transacted for which the license is held, in such place during that time. Provided, however, that a special license may be issued to any retail liquor dealer holding a liquor license then in force, to keep his licensed premises open for the sale of the aforesaid liquors between the hours when they should under this Ordinance be closed, by obtaining permission therefor from the Board of Trustees, after filing a written application with said Board, and paying for such special license at the rate as follows:

1 If to keep open said place of business from five (5) o'clock a. m. to midnight of the same day, ten ($10.00) dollars per quarter.

2 If to keep open said place of business from five (5) o'clock a. m., later than midnight of the same day, two and one-half ($2.50) dollars per night.

These special licenses shall be in addition to any other state, County or City license required.

Section 8. That until the number of retail liquor licenses that may be held at any one time under the provisions of this Ordinance shall not exceed ten (10) in number, the Board of Trustees shall not grant, and no officer of the City of Sonoma shall issue, any additional retail liquor license, or receive any money for such additional licenses; provided, however, that nothing herein contained shall be construed to bar any person, his heirs or assigns, who are now conducting such business within the City of Sonoma, from continuing to conduct it at its present or other location, if he does not allow such license to lapse; provided, further, that no assignee of any retail liquor business, against the owner of which any charge for a violation of this Ordinance or any section or subdivision thereof, is pending, either before the Board of Trustees or the City Recorder, shall receive a retail liquor dealer's license, until such charge has been heard and is determined, and then only at a regular meeting of the Board of Trustees.

Section 9. Whenever, in the City of Sonoma, during the quarter for which it was issued, any retail liquor dealer's license shall lapse, by revocation, or by any other cause whatever, the licenses of all other retail liquor dealers then continuing to do business, shall thereupon be increased two and one-half ($2.50) dollars per quarter, such increase to be added and to commence at the beginning of the quarter for which the license so lapsing was issued.

Section 10 It shall be unlawful for either a retail liquor dealer or a wholesale liquor dealer in the City of Sonoma:

1. To sell, give, dispose of, deliver, or permit any other person or persons to sell, give, dispose of or deliver to any minor child under the age of eighteen years, or any intoxicated person, any intoxicating drink or wine in any quantity whatever.

2. To permit any such child or intoxicated person to visit any saloon, room or place carried on in connection with any saloon where a business is made of selling, giving away, disposing of, or delivering any wine, intoxicating drinks or admixtures thereof, for which the proprietor or proprietors of such saloon or place holds a license.

3. To keep open after 11 o'clock p. m., and before five (5) o'clock a. m. of the following day any saloon or place where intoxicating liquors or admixtures thereof are sold, given away, disposed of, or delivered, or transact any business in such place during that time, except the owner of such place of business has a special license as provided in Section 7 of this Ordinance.

4 To conduct or carry on the business of retail liquor dealer or wholesale liquor dealer, without having first obtained a license therefor

5. To conduct the business of retail liquor dealer or wholesale liquor dealer in a noisy, unlawful, disorderly or disreputable manner, or to permit gambling in their said place of business, or dancing in any bar room in said place of business.

Section 11. Every retail liquor dealer or wholesale liquor dealer violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by a fine of not less than fifty dollars, nor more than one hundred dollars, or imprisonment in the City Jail until said fine is paid, not exceeding one day for each one dollar of such fine in case such fine is not paid, or by imprisonment in the City Jail not exceeding one hundred days or both. And every day of the continuance of such offense shall be deemed and taken as a new offense.

Section 12 Nothing in this Ordinance shall be construed to require a license from druggists or apothecaries for selling spirituous, malt or fermented liquors or wines, for strictly medicinal purposes, when the same are sold upon the written prescription of a regular physician first had and obtained by the person purchasing such liquors or wines

Section 13 Whenever it shall appear to the Board of Trustees of the City of Sonoma from a written charge lodged with said Board that there is probable reason to believe that any retail or wholesale liquor dealer has violated, or has permitted a violation of any provision of this Ordinance, or of any amendment thereof, or that any person, firm, association or corporation holding a license under this Ordinance has sold or given, or delivered, or has permitted any other person to sell, give or deliver to any minor child, male or female, under the age of eighteen years, any intoxicating drink or wine in any quantity whatever; or has permitted any such child to visit any saloon or place where intoxicating liquors or wines are sold; or has sold, disposed of, or given to, or permitted any other person to sell, dispose of or give to any person in a state of intoxication any intoxicating liquors or wine in any quantity whatever; or has kept open any such place of business after eleven (11) eleven o'clock p. m. and before five (5) o'clock a. m. of the following day, or transacted any business in such place during such time, unless holding a special license as hereinbefore provided; or is conducting such business in a noisy, unlawful or disorderly manner; or is permitting or has permitted gambling or dancing in his or their said place of business; if the violation of any provision of this section complained of be the first or second violation, the Board of Trustees, at any meeting of said Board, shall direct the City Marshal forthwith to swear out a warrant before the City Recorder charging the accused retail or wholesale liquor dealer with a violation of this Ordinance, or any portion thereof that he is accused of violating, and he shall thereupon be arrested, and such proceedings thereon shall thereafter be had in said Recorder's Court, as are provided in this Ordinance. If the violation of this Ordinance complained of be the third offense, the Board shall cause notice to the person or persons holding the license for the place where said business is carried on to be personally served upon said person or persons by the City Marshal in the manner provided for the service of summons in civil actions under the provisions of the Code of Civil Procedure of the State of California, commanding such person or persons to appear before said Board at a time and place therein specified to show cause why the license held by him, her or them should not be revoked, and upon the day set for the hearing the Board shall proceed to hear the proofs adduced in support of the charge and counter thereto, and if from the investigation it appears to the Board that any provision of this section has been violated or any of the acts in this section enumerated have been done or permitted to be done by such accused retail or wholesale liquor dealer, then the Board shall by an order duly entered declare the license held by any such person or persons forfeited and cancelled, and thereafter it shall be unlawful for such person or persons to carry on the retail or wholesale liquor business in the City of Sonoma. And it is expressly declared that it shall not be necessary that a conviction of any violation of this Ordinance shall be had in any Court before the Board acquires jurisdiction to cancel a license under this section, but said Board shall have full power to act without the intervention of any Court whatever.

No person in the City of Sonoma whose license has heretofore or at any time been forfeited or cancelled, shall ever be eligible to receive a wholesale or retail liquor license in the City of Sonoma

Section 14 The Board of Trustees of the City of Sonoma may revoke any license provided to be issued under this or any other Ordinance of the City of Sonoma upon conviction in any Justice's or other Court of any person of disorderly or improper conduct, or any offense upon the premises of any person holding a license or upon the conviction of the person holding said license of any offense which in the judgment of said Board ought to disqualify such person from holding such license. And all licenses hereafter issued by the authority of the City of Sonoma, shall be issued subject to revocation

Section 15. Ordinance No. 95 of the City of Sonoma is hereby repealed.

Section 16 This Ordinance shall take effect and be in force from and after midnight of February 29th, 1912.

No Man is Stronger Than His Stomach

A strong man is strong all over. No man can be strong who is suffering from weak stomach with its consequent indigestion, or from some other disease of the stomach and its associated organs, which impairs digestion and nutrition. For when the stomach is weak or diseased there is a loss of the nutrition contained in food, which is the source of all physical strength. When a man "doesn't feel just right," when he doesn't sleep well, has an uncomfortable feeling in the stomach after eating, is languid, nervous, irritable and despondent, he is losing the nutrition needed to make strength.

Such a man should use Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and nutrition. It enriches the blood, invigorates the liver, strengthens the kidneys, nourishes the nerves, and so GIVES HEALTH AND STRENGTH TO THE WHOLE BODY.

You can't afford to accept a *secret* nostrum as a substitute for this non-alcoholic medicine of KNOWN COMPOSITION, not even though the urgent dealer may thereby make a little bigger profit. Ingredients printed on wrapper.

Stimulant or Tonic?

Ayer's Sarsaparilla is not a stimulant. It does not make you feel better one day, then as bad as ever the next. There is not a drop of alcohol in it. Ayer's Sarsaparilla is a tonic. You have the steady, even gain that comes from such a medicine. Ask your doctor all about this. Trust him fully, and always do as he says. He knows.

Who makes the best liver pills? The J. C. Ayer Company, of Lowell, Mass. They have been making Ayer's Pills for over sixty years. If you have the slightest doubt about using these pills, ask your doctor. Ask him first, that's best.

Women's Club Notes

At the Woman's Club, last Friday, a short business meeting was held prior to the litirary and social hour. A committie. consisting of Mrs. Duhring, Mrs. Burlingame, Miss Stofen, Miss Waterman and Miss D. Clewe, was appointed to formulate plans for a grand entertainment to be given later in the season.

A resolution was introduced to the effect that the club endorse the effort now being made in the First Supervisoral district toward abolishing saloons and roadhouses. After some discussion, in which it was made clear that this question is in no sense one of a political nature, but is strictly a moral issue, the resolution was unanimously adopted.

The afternoon's program was in charge of Mrs. Gottenberg, who read a very interesting record of the first visit to America of General Lafayette, in 1824, when that veteran hero was 67 years old. The paper had been written for the Newburyport Historical Society by Mrs. Gottenberg's great-uncle, Mr. Wm. Swasey, the material having been gathered from the journal kept by the General's secretary.

Mrs. Wagnon contributed a beautiful enlogy on the character of George Washington, from the pen of Charles Phillips.

Several songs by Mrs. Kinsella and Miss Robinson were much enjoyed, and then followed the social hour with tea and cakes.

On next Friday will occur the annual meeting with election of officers. A full attendance is hoped for.
